All Couples Resorts Properties

Green Globe 21 Certified

- Green Globe 21 is the Global Affiliation, Benchmarking and Certification program for sustainable Travel & Tourism. Certification is based on the Agenda 21 principles for Sustainable Development endorsed by 182 Heads of State at the United Nations Rio De Janeiro Earth Summit. In order to be certified by this program, resorts must:
 - Improved environmental and social outcomes for travel and tourism
 - Greenhouse gas emissions
 - Energy efficiency, conservations and management
 - Management of freshwater resources
 - Ecosystem conservation and management
 - Management of social and cultural issues
 - Land use planning and management
 - Air quality protection and noise control
 - Waste water management and minimization
