Considered by many as the Jewel of Jamaica, Couples Sans Souci is awash with tropical elegance. Emerging along the Caribbean from the awe-inspiring cliffs of Jamaica's Emerald Mountains, this resort is known to enchant all couples that set foot on its luxurious paradise. In the beginning, the popularity of Couples Sans Souci emerged from the mineral water springs sprinkled throughout the resort. Since the 1700s, these springs have been known as an excellent way to maintain health and renew romantic energy. Now every detail, from the natural

springs and stone pathways of the majestic forest, to the rocky lookouts and walkways over the radiant blue sea, makes Couples Sans Souci the ultimate setting for a romantic getaway.

Restaurants and Bars

Boasting more culinary awards than their contemporaries at any resort in the Caribbean, the chefs at Couples Sans Souci are renowned for their brilliant and innovative cuisine. For a taste of “La Dolce Vita,” Italian for “The Sweet Life,” Ristorante Casanova serves classic Italian dishes mixed with a hint of Caribbean in every bite. Palazzina Restaurant is a hearty bistro where you need to save room for dessert by the pastry chef, named the “Best in Jamaica” in 2004.

A moonlit Jamaican dinner on the beach is the epitome of romance, and is offered each and every night at Bella Vista. For a late night snack, the Beach Grill features casual and tasty Jamaican-infused grilled specialties, such as jerk chicken and the renowned beef patties. Finally, for those who cannot seem to leave their suites, in-room dining is always available for a special dinner on a private balcony.

Day and night-time entertainment can be found at one of Couples Sans Souci’s five unique bars, with a variety of atmospheres. The Balloon Bar is designed to excite and entertain, while Charlie’s Spa Bar features natural healthy juices for a boost of rejuvenation. The Sunset Bar, located on the resorts private beach, is designed for the free spirited while the Swim-Up bars offer a relaxed and fun atmosphere to enjoy drinks in the refreshing pool. Finally, the perfect addition to any vacation, The Beach Bar offers couples a chance to dig their toes into the white sand while sipping a margarita along the Caribbean shore.
